From

Deputy Commissioner,

Bangalore District.

To

T.F.Jayarama Iyer, Esq., B.A., B.L.,

Secretary to the Government of Mysore,

Muzrai Department, Bangalore.

Sir,

With reference to your No.1786/Muzrai.296-13-2 dated 10th January 1914 re the archakship in Sri Anjaneyaswami temple at Devarahosahalli in Chennapatna Taluk, I have the honor to state as follows:-

1. There are three Pujaries in this temple who work by turns as noted in the margin. The dispute among these pujaries is whether their term of worship should be by monthly rotation or continuously for 6, 3 and 3 months respectively every year.

(1) Venkatappa(for 6 months in a year),
(2) Krishnayya(Petitioner) with his two brothers) For 3 months in a year.
(3) Venkataraya and Samiah with their sons.) -do-

2. In the year 1885 it was decided by the Sub-Division Officer, that the right of puja should be exercised by monthly rotation. This order was in force only for 3 years but with frequent breaches of the peace.

3. In 1888 this order was cancelled by the Deputy Commissioner and another order was passed in favour of continuous service for 6, 3 and 3 months respectively, on the ground that there would be no security to the temple property by constant change of purajies.

4. Again on 25th May 1896 on receipt of several applications from 2nd and 3rd parties, the Muzrai Assistant with the consent of all the parties decided that continuous service for 3 months at a time should be adopted. All the 3 parties had executed mutchalikas on 26th April 1896 and the decision was approved by the Deputy Commissioner. According to this arrangement, each party used to do the service as detailed ~~in the~~ below—

1st party Venkatappa:- January, February and March,
2nd party - April, May and June,
1st party again - July, August and September,
3rd party - October, November, and December.

5. The 2nd and 3rd party though they are also parties to the Mutchalika are aggrieved as both Rathotsavam day(ಪಟ್ಟಣ ಉತ್ಸವ ದಿನ) and the month of Sravana which yield more income go to the 1st party's turn and they now pray for the substitution of Kannada calendar months in the place of English ones, so that there may be equal distribution of income to all the pujaries.

6. This is not likely to improve the situation as quarrels are bound to rise when an Adikamasa(intercalary month)occurs. The Hindu Solar months will be better but it is not in vogue locally. Considering all the circumstances it seems best to keep to the existing arrangement which has been working for 24 years past unless all of them agree to yearly Terms

I have the honor to be,

Sir,

Your most obedient servant.

Deputy Commissioner,
Bangalore District.

Petition Registered No.1157 dated 22nd December 1919, from Krishniah, Archak of Sri Anjaneyaswami Temple at Devarahosahalli in the Channapatna Taluk, praying -- that the turns of archak duty in the -- -- temple between himself and his hissedars r in the office, may be fixed with reference to the Kannada months instead of English months, as under the latter arrangement now in force, one of the hissedars gets an undue advantage in connection with the Ratotsava festival which fetches a large income.

(2) Letter No.1128 dated 22nd April 1920, from the Deputy Commissioner, Bangalore District, reporting that there are three hakdar Archaks, that under the arrangement sanctioned by the Deputy Commissioner in 1896, with the assent of all of them, they do duty by turns as detailed in the margin, and stating that it is best to keep to the existing arrangement which has been working for 29 years past and all of them agree to yearly turns.

Aplt: (A) Krishniah, (3 months) April, May and June.
(B) Venkatappa (3 months), July, August and September.
